## Farm to School

Taher Food Service at Hill-Murray School has partnered with another local food source! Starting this month we will be using Turkey in place of Chicken in some of our meals. The Farm to School Logo will be present when we are using free-range, without antibiotics, naturally processed turkey's raised on a family farm from Ferndale Market in Cannon Falls, Minnesota!

Soybeans are an important ingredient for the production of crayons. In fact, one acre of soybeans can produce 82,368 crayons.

Elevators in the Statue of Liberty use a soybean-based hydraulic fluid.
