Dr. Paul and Mrs. Barbato presented Benilde-St. Margaret's with gifts for Jack Jablonski during a visit to BMS this week. Dr. Tift and Dr. Skinner accepted an oversized greeting card signed by H-M students, faculty, staff and administration, as well as a check for \$17,000. The money was collected during an H-M fundraiser held last week for the BSM hockey player who was paralyzed last month.

"On behalf of the Jablonski family, I would like to express my sincere thanks for the tremendous support from the Hill-Murray community. We are so impressed with the outpouring of prayers, support and solidarity displayed by our fellow Catholic schools."

Dr. Bob Tift, president
