We recycle newspapers weekly. We keep archived copies of journals and magazines for four years. Many of these titles plus 100s of others are available online through the newspaper database, *ProQuest*, or the magazine databases, *Student Resources in Context* (Gale), or *Ebsco*. Access these through the LMC webpage at [www.hill-murray.org/lmc\\_database.aspx](http://www.hill-murray.org/lmc_database.aspx).
