

Pioneer Parent Network

As you may know, we are always trying to find fun, interesting, engaging ways for parents to meet other parents. In addition to school-wide events, we would like to help parents connect occasionally within their “grade level.” It’s a great way to get to know the parents of your child’s friends, as well as meet parents whom you might not otherwise get a chance to know.

The following parents have volunteered to act as **Class Coordinators**. Their role is to help parents connect with other parents and share information about upcoming events (either social, class-specific, or school-wide).

If you are interested in connecting with other parents, **PLEASE** contact the **Class Coordinator** so that we have your permission to get in touch with you.
