

SOLES4SOULS SHOE DRIVE AT HILL-MURRAY THROUGH MARCH 2nd

Soles4Souls takes new or gently worn shoes of all sizes from soccer cleats to heels. The shoes go to needy children and adults around the world. Collection boxes will be available here at school starting February 21 through March 2. If you can tie a pair together, or put a binder around them, that is helpful. There will also be binders available here.

Claire Frances Baker, a freshman at Totino-Grace, is leading a local campaign to collect 20,000 pairs of shoes (she already has over 16,000 pairs) and has asked for support from other local Catholic schools.

If you want to learn more about Claire you can check out her blog at
