

New On-line Payment Option for Food Service

Taher Food Service is pleased to introduce the implementation of an on-line payment service, beginning on September 1, 2010, called *e-Funds for Schools*. This optional, user-friendly service offers various options for parents/guardians who *choose* to make on-line payments for lunch purchases.

How does e-Funds for Schools work?

- Parents/Guardians set up and maintain their own logins, passwords, and payment preferences. Your account information is retained in a password-protected file.
- Payments from a debit card, credit card or checking account may easily be set up.
- A transaction convenience fee of \$2.49 applies to each debit or credit card payment.
- A transaction convenience fee of \$1.00 applies to each payment made from checking account.
- There will be a Non-Sufficient Funds (NSF) charge if the payment is “bad.”
- Parents/Guardians may establish a reoccurring payment or may opt to make a one-time payment.
- Your payment history for the year is available with a click of the mouse.

Note: You will continue to use Wordware to see your child’s cafeteria purchases and to view their lunch account balance.

What methods of payment are available to parents/guardians for the 2010 – 2011 school year?

1. You can use *e-Funds for Schools* website any time (day or night) to make a payment from your checking account or by using a debit/credit card.
2. As in the past, you can still write a check directly to Taher or send cash.
3. On-Line payment information will be processed at 7:30 am, Monday – Friday.
Example: If you made an on-line payment Monday at 10:00 am it would be reflected in your lunch account Tuesday morning at 7:30 am. A payment made on a Holiday or over the week-end would be processed the next school day at 7:30 am.

For more information or to get started using *e-Funds for Schools*: go to the Hill-Murray web site (www.hill-murray.org) click on the lunch page then click on e-Funds for School link.
