

Children from Maple Tree Child Care Center Visit LMC

Twenty-five preschoolers came to visit members of the Christian Service Learning class in the Library Media Center (LMC) on Tuesday, Nov. 11th. The theme this year was "Gobble, Gobble Turkey." Several Hill-Murray seniors helped the children make turkey hand puppets, turkey pictures for their parents, both with lots of feathers, played games with the children and read fun stories. Thanks, Hill-Murray students, for a job well done! The preschoolers had a great time and want to know when they can come back to the H-M Library Media Center.
