# 2006-2007— A Year of Building

On September 27, 2006, students from Hill-Murray's Student Council helped break ground on a new fieldhouse. By the time school started, less than one year later, students were enjoying a new Sports Center and many other campus improvements. It was a year of building for the future!

(See back cover for more photos and a description of completed projects.)

## *Our Mission*

Hill-Murray's mission is to provide an excellent Catholic middle and secondary education program for students of all faiths and races. Hill-Murray is committed to developing creative and responsible leaders for today and tomorrow's world, who will provide effective moral leadership in their local and global communities. In preparation for this role, Hill-Murray students will receive an education which encourages and promotes:

- C**hristian Values
- L**ife-long Learning
- A**cademic Excellence
- S**piritual Growth
- S**ocial Development

# A Message to the Hill-Murray Community

*From Joseph M. Peschges, President*

The theme for this year's Annual Report, *A Year of Building*, could never be more appropriate. I want to thank and recognize the hundreds of individuals and organizations whose support directly provides the programming and resources our students need every day. That support has never been more tangibly displayed than during this last year of our school history. I hope that many of you have been able to visit our beautiful new Sports Center and the theatre, also renovated this year.

The main benefit of the new Sports Center is that now with the increase in space we can have multiple practices running concurrently so that our students will no longer have to practice late into the evening, when they need to be home for dinner and studying! It also creates an athletic zone that makes physical education programming more efficient and frees up facilities in the main building that can now be used for other purposes. So, again, thank you for your generous support. These new facilities will benefit students for many years to come. Please take a moment to view the back cover for more details about all of the facilities that have been added and improved through your support.

I want to also thank all of you who continue to support students through your contributions for tuition assistance, scholarships and our Annual Fund. Your ongoing help for these purposes is key to making a Hill-Murray education possible for today's students. We ask for your continued support for these important student needs.

At the end of the 2006-07 school year we received the exciting news that Hill-Murray has been recognized for the outstanding quality of its academic program. The American College Testing Program (ACT) conducted a national study of high schools. Hill-Murray was cited in the study for its academic rigor in preparing students for college success. **Our school was one of only two schools in the Twin Cities metro area that was recognized; there were only eight in Minnesota and 382 nationwide!**

*"This is a well-deserved honor that demonstrates the superior quality of a Hill-Murray education. Our students are being exceptionally prepared to excel—in college academics or in a career."*

This is a well-deserved honor that demonstrates the superior quality of a Hill-Murray education. Our students are being exceptionally prepared to excel—in college academics or in a career.

I invite you to be a part of Hill-Murray's promising future. I am confident that you will, because that has been exactly your response in the past. As our future unfolds I know that you will be present, embracing each new opportunity and challenge.

Thank you for the pride you take in participating in Hill-Murray School.

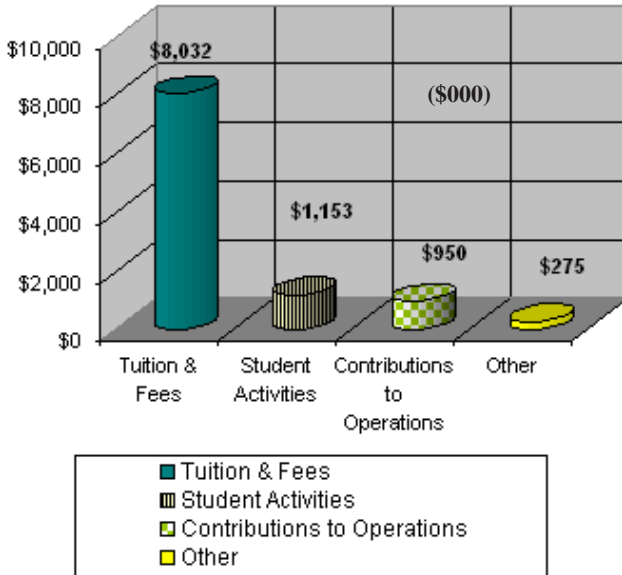

Joseph M. Peschges  
President

## ETCHED IN PIONEER HISTORY

Over the past year, the individuals and organizations listed below have committed \$5.5 million in gifts and pledges in support of the plans and priorities of The Pioneer Challenge Capital Campaign. We thank them for this great progress in reaching the \$8 million campaign goal.

Donors of \$1,000 or more will be acknowledged on two prominent locations in the school: at the entrance to our newly renovated theatre, and in the new Sports Center. We thank you for your generous gifts in support of the current and future students of Hill-Murray School.

On September 27, 2006, students from Hill-Murray's Student Council helped break ground on a new fieldhouse. By the time school started less than one year later, students were benefiting from a new Sports Center that includes a new fieldhouse with four basketball courts and 2 volleyball courts, 8 new locker rooms, new fitness center, remodeled Sports Center lobby, new team room and staff offices. They also now are enjoying the remodeled theatre with air conditioning, new seating and lighting, and more! It was a year of building for the future! At left, picture of the inside of the new fieldhouse. Below, left to right: New fitness center; view of theatre/auditorium.
