

π ONEERS

MISSION

The π oneers mission is to further our students academically and socially through recreational and competitive mathematics.

LEADERS

The π oneers are coached by math teacher Mr. Adam Goehner. Our captains for the 2011 - 2012 season will be decided at practice this fall.

SEASON

The π oneers have practice on Mondays from 2:15 - 3:30 P.M. and on the Thursday before a meet during the same time period. All practices will be held in Room 212.

Our season runs from October 3rd, 2011 through February 12th, 2012, and our competition schedule is:

November 7th - Simley
November 28th - Sibley
December 19th - North St. Paul
January 9th - Mahtomedi
February 12th - Tartan

MEMBERS

Any Hill-Murray student in grades 9 - 12 can join the π oneers by filling out a participation form with Mr. Goehner. We hope to have 30 students participate this year, which is a 75% increase in the last 5 years!

π ONEER C.L.A.S.S.

Christian Values - Lived through acceptance and sportsmanship
