

HILL-MURRAY SCHOOL ANNUAL REPORT 2018-2019

Hill-Murray TODAY

We are
Pioneers

Letter from the President

James Hansen '73 | President Hill-Murray School

Dear Alumni & Friends of Hill-Murray,
Community has never been more important than it is today.

Last spring, I lamented the impact that years of harsh winters had on the iconic wall outside Hill-Murray and I discussed its imminent collapse with a former staff member. Within days, he raised enough money, organized volunteers and rebuilt the wall for future generations to enjoy. As you can see, the wall is once again a visible legacy demonstrating the strength of our community.

I am happy to report that, for the sixth straight year, our student population continues to grow. Over that period, our enrollment has grown from 716 to 879 students – a growth trend not seen in many Catholic schools in Minnesota. We have a waiting list for several of our grades and are nearing capacity. Our commitment to innovation, maintaining academic rigor and the value of our charisms continues to drive our growth.

Due to an extraordinary gift, the Future Leader Scholarship will provide \$10,000 to 80 students per year (20 per class). This scholarship is a partnership between donors, the school and the student’s family - each covering 33% of tuition. The scholarship will be matched by new annual donations to the school. I invite anyone interested in this program to stop by my office to learn how you can participate.

I’m also excited to share that, while the demographics have changed on the East Side, so have the demographics within our building. In the past 5 years, the diversity of the student body has grown from 12% to over 25%. Programs such as the Future Leader Scholarship, Flaherty Family Foundation, Johnson Scholars and the 100-plus scholarships offered at Hill-Murray have helped us achieve this growth.

Your engagement is critical to our students’ success. Last year, the senior class generated over \$22 million in college scholarships – nearly 2.5 times what was paid in Hill-Murray tuition. The class also earned 1,209 college credits for courses they took while attending Hill-Murray.

Without the support of our alumni, parents and friends, outcomes like this would not be possible. We honor our traditions and push ourselves to stay relevant in a fast-changing global community. As always, our goal is to help students celebrate their unique talents so they can make significant contributions to our world.

We invite you to visit our Virtual Reality Innovation Lab, attend daily Mass, talk to students about Aquaponics or take in a middle school play. I hope to see you on campus soon.

\$3.2 Million Scholarship Gift

The Future Leadership Scholarship program was established with a \$3.2 million gift by a Hill-Murray couple with strong East Side roots. The Scholarship will allow 80 Hill-Murray students to receive \$10,000 annually.

BRYANT RANGEL

For Bryant Rangel, the best thing about coming to Hill-Murray as a Future Leader Scholar is the small class sizes. Bryant is a member of the soccer team and enjoys gym and French class. Bryant has plans to be a naval architect when he grows up.

“I have made a lot of new friends at Hill-Murray. I really appreciate the opportunity to be a Future Leader Scholar.”

EVELYN PERKINS

Evelyn Perkins’ mother, Mona, was the Principal at Webster Elementary school on the East Side for many years. During her time, students in the Hill-Murray Christian Service Learning program provided reading, tutoring and classroom support at the school. Mona recognized the caring Hill-Murray community and knew it was the right place for Evelyn.

“Coming to Hill-Murray has been huge for me. It has opened many new opportunities for my future. I am excited to be a Pioneer.”

KEVIN JOYCE

Kevin’s parents, Mike ‘79 and Pat ‘79 Joyce are Hill-Murray alums. They adopted Kevin from Liberia when he was 2 years old. Kevin played on the Varsity soccer team, is a member of the JV hockey team and looks forward to being a part of the Student Council.

“Everyone at Hill-Murray has been welcoming and inclusive. The scholarship has meant a lot to me. Hill-Murray is amazing.”

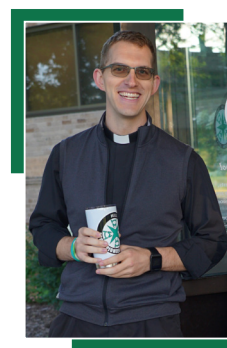

Campus Improvements: Gather & Reconnect

CAMPUS MINISTRY

As part of the five-year Known, Loved, Respected Campaign for Hill-Murray, the Campus Ministry Center has been expanded and renovated to meet the growing needs of our Religious Studies Department.

The Campus Ministry Center is a place for campus ministers to gather and plan Mass, mission trips and service activities. The new gathering area is the perfect spot for students to meet and talk about their faith or get in a quick game of foosball during breaks.

"We have created the perfect place for students to get together, seek counsel and strengthen their faith."
— Father Kevin Manthey

ALUMNI CENTER

Another exciting transformation took place this year with the creation of the new Hill-Murray Alumni Center.

Hill-Murray is launching the Alumni Association in 2020. The new Alumni Center offers a central location for alumni to gather to plan reunions, chat over coffee and reminisce while looking through memorabilia, trophies and yearbooks.

Whenever alumni are in the area, we invite them to come in, look through the archives, tour the building and view the **I Am A Pioneer** alumni features hanging throughout the halls.

"I am really excited for alumni to have a space to call their own. Our alumni are the foundation of our school. We are appreciative that the alumni continue to support and engage with our community."
— Judy Hajlo Schwartz '79

Letter from the Chairman: Board of Trustees

Dear Hill-Murray Community,

Throughout this publication, you will see numerous highlights and fantastic stories where we celebrate the success of our students, and hopefully you can feel why it is such an exciting time to be connected with the Hill-Murray community.

I am grateful to our parents, alumni, and all those that have made tremendous sacrifices and commitments of time, talent, and treasure. We are blessed with many accomplished and talented board members and volunteers who give from their heart. It is worth recognizing how those commitments make a difference to your children, grandchildren, and open the doors for those new to Hill-Murray. Even a few friends from rival schools were surprised by our attendance and fundraising efforts with our record-setting auction, homecoming festivities, and traction of our Known Loved Respected Campaign.

I am grateful for our students, who show up every day, give their best, serve others, share some wins and learn from adversity. You can see and feel the unwavering dedication of our faculty and staff. I am grateful to Jim Hansen and the administration for their leadership and commitment to our mission, values, and promise to our students to be a place that is inclusive and safe. We have created a culture of innovation in the classroom and within our clubs and activities.

As one shining example, Jeff Zupfer, Class A Soccer Coach of the Year and H-M Varsity coach shared with his team the mantra of, "What can you give versus what can you get." This statement resonated so much with our son, it has become a theme commonly voiced within our own family. My wife and I are grateful for this example of leadership and shared values within our school.

I see opportunity and tremendous potential. Like so many of our students, our journey is both exciting and ever-changing. As Jim Hansen continues to lead our school, we also must continue to develop our team, be focused on the present, and prepare for changes ahead. Our Board has retained Korn Ferry, a global leader in organizational consulting, to engage with our stakeholders, and help us merge our future strategy with our future leaders. By design, we continue to work towards the 2020 Strategic Plan goals. At the same time, the Board, Jim Hansen and our new President will partner over the next year to set our vision for the next 5 years.

For these reasons, and so many more, I am thankful to be able to serve Hill-Murray School. Thank you for being a part of it, for being a Pioneer, and for committing to our amazing students to feel Known, Loved, and Respected.

Timothy C. Yocum

Tim Yocum '92 | Chairman Hill-Murray Board of Trustees

2019 Distinguished Alumni & Friends Awards

Rita Gresback Shor '65
Archbishop Murray
Memorial High School
Heritage Award

Rita is honored for her work in science & business & empowering people to solve problems.

Patricia Wappel Reily '70
The Ron Ryan Jr., Community
Leadership Award

Patricia is honored for her outstanding military career & her outreach with youth & service projects.

Paul Menge '74
Legacy Teacher Award

Paul is honored for his dedication and innovation as a former Hill-Murray Science teacher and department chair.

Robert Blees '67
Hill High School
Heritage Award

Robert is recognized for his international mission work, particularly with Ebola & AIDS.

Devoney Looser '85
Hill-Murray School
Heritage Award

Devoney's work as a professor, scholar & writer in the field of English earned her a Guggenheim Fellowship.

Father Paul McNellis '65
The Father Greg Tolaas
Distinguished Service Award

Father Paul's work with Jesuit students in Vietnam, the Pro-Life Movement in Boston & his prison ministry earned him this well-deserved recognition.

Dick Unger '63
The Lasallian Award

An outstanding Class Representative, Dick is honored for his unselfish dedication to the alumni of Hill High School.

David Yarusso '74
The Benedictine Award

A 3M Carlton Society honoree, Dave is honored for his mentorship of employees in Chemical Engineering and his work with Habitat for Humanity and the Boy Scouts of America.

To watch the 2019 Distinguished Alumni & Friends speeches, visit www.hill-murray.org and click on Alumni.

Letter from the Chairman: Foundation Board

Dear Hill-Murray Community,

It is my distinct honor to serve as Chairman of the Hill-Murray Foundation Board. I would like to thank Dan Rice who served as Chair for the past two years. In that time, the Foundation Board accomplished much including attracting an incredibly capable group of leaders, rewriting bylaws, launching the Known Loved Respected Campaign and raising more than \$17.5 million for the school. I look forward to working with the Board to build off the momentum the Foundation is experiencing.

Our family was welcomed to Hill-Murray when our daughter, Haley, came to the school. We quickly recognized the incredible community that is Hill-Murray. Haley took full advantage of what Hill-Murray had to offer including participation in the ski team, coding, DECA and Aquaponics. The highlight of her time was an internship secured through Hill-Murray with JAMF Software for her senior year. Haley is now a junior at Arizona State and is studying Fashion Design.

It is with great pride that I announce that the Known, Loved, Respected Campaign is moving from the \$20 million original goal to \$35 million. You have answered the call. Through the generosity of our alumni, parents and grandparents, we are proud to announce the plans to nearly double our original plan. The three pillars of the campaign continue to be growth of the endowment, remodeling of our classrooms and the growth of our annual operating fund.

Finally, I would like to thank the more than 60 families who have stepped forward to establish named endowments since the start of the campaign. The Board is offering a dollar-for-dollar match for any fund created at the Foundation up to \$100,000 per donor. I encourage you to take advantage of this opportunity as we have just over \$250,000 of the \$1 million remaining in the match.

Great people come from Hill-Murray! The Distinguished Alumni and Friends Awards are in recognition of some of those H-M community members who have made a significant contribution to our world. I'd like to congratulate each of you and the thousands of alumni of Hill High School, Archbishop Murray High School and Hill-Murray School. I am proud to be associated with such inspirational people.

Thank you, again, for your unwavering support of Hill-Murray School and I look forward to celebrating with you as we surpass our \$35 million target!

Carl Casale | Chairman
Hill-Murray Foundation Board

New Ways To Aid Students

THE REGAN SCHOLARSHIP

The Regan Family Scholarship Fund assists deserving Hill-Murray students with tuition. The award is based on the student’s economic need and demonstrated academic productivity. Academic productivity generally can be defined as “honor student” standing. This academic standing is, however, not mandatory. It is sufficient that the student honestly strives to learn to his/her potential, consistent with the student’s inherent capabilities.

“It is a unique privilege to help students achieve their dreams of joining the Hill-Murray community.”
– Don Regan

The individual scholarships will be awarded in honor of Brother Leonard Kromhout, Sister Clair Lynch, Brother Lewis Twohig, Sister Mary Charles Branovsky, Brother Hilary Gilmartin, Frank and Margaret Asenbrenner, Sister Pat Collins, and Brother Felix Scanlon. Each year, the fund will honor a past Hill, Archbishop Murray or Hill-Murray staff member.

LILLI MACKLEY

“WHAT’S NOT TO LIKE? I LOVE BEING PART OF THIS SMALLER COMMUNITY AND IT’S AWESOME TO KNOW EVERYONE. THE TEACHERS ARE SO KIND AND SUPPORTIVE.”

Lilli Mackley’s parents graduated from Catholic high schools – her dad, Tim (’94), went to Hill-Murray along with his four siblings, and her mom, Suzanne, went to Cretin Durham Hall. Her grandmother, JoAnne (Pierce) Mackley (’65), went to Archbishop Murray Memorial High School. So, it’s no surprise Lilli is at Hill-Murray. As a Regan Scholar, Lilli is involved in Student Council,

the LINK Crew, Hill-Murray Ambassadors, DECA and WEB Leaders. She also serves as the captain of the Varsity basketball team and plays Varsity soccer. Lilli hopes to play basketball in college and major in biology or another science so that she can become a dentist.

LUKE RAUSCH

“THE OPPORTUNITIES HERE ARE GREAT. HILL-MURRAY REALLY TRIES TO HELP YOU SUCCEED; AND THE TEACHERS REALLY CARE.”

Going to Hill-Murray is all in the family for Luke Rausch. His older sister graduated from Hill-Murray and went on to St. Mary’s University in Winona, and his younger brother and sister are current Hill-Murray students. Luke applied for and was awarded the Regan

Scholarship before his freshman year. An A and B honor roll student throughout his time at Hill-Murray, Luke also plays baseball and serves as a Peer Minister. He helps plan retreats for freshmen and sophomore students and handles set-up and take-down for Mass.

Pioneer Pride

SISTERS COMPETE ON WORLD OF DANCE

“IT WAS REALLY FUN TO SEE BEHIND THE SCENES. WE’D NEVER DONE ANYTHING LIKE THIS BEFORE.”
– ELLIE WAGNER

Hill-Murray sisters Ava (freshman) and Ellie (junior) Wagner competed on the third season of the nationally televised program *World of Dance* this past year, bringing home a third-place trophy and a lot of wonderful memories.

Having danced and trained at Larkin Dance Studio in Maplewood, Ava and Ellie were well prepared to compete against acts from all over the world. The girls tried out for the show in Chicago and then

spent two months in Los Angeles, performing contemporary dances in front of celebrity judges Jennifer Lopez, Derek Hough and NE-YO.

“It’s an experience I’ll never forget” says Ava.

Ellie and Ava are looking forward to continuing to dance together and possibly pursuing careers in dance in Los Angeles or New York City after graduating from Hill-Murray. Ellie is interested in pursuing a business degree because she’d like to run Larkin Dance Studio some day.

CHAMPION BAKER

“ONE OF THE BEST PARTS OF THIS WHOLE EXPERIENCE HAS BEEN BEING ABLE TO INSPIRE OTHER KIDS WHO HAVE JA AND TO SHOW THEM THAT YOU REALLY CAN DO WHAT YOU SET YOUR MIND TO.”

Hill-Murray Middle School student Paige Goehner won Season 6 of the *Kids Baking Championship* last spring, beating out seven other top kid bakers from across the country. The kids competed in head-to-head baking challenges in front of judges Valerie Bertinelli and Duff Goldman.

Paige began baking when her arthritis made it difficult to play sports. She says she watched her dad bake when she was younger and developed an interest in it, watching cooking shows on TV and reading recipes.

In 10 episodes, Paige made everything from bacon cupcakes to dessert tacos to puzzle cookies. But, it was her chocolate checkerboard cake that proved to be the ultimate winning dessert. As the competition winner, she received \$25,000 and a magazine spread.

Inspired by Paige’s accomplishment of winning the *Kids Baking Championship*, the faculty and staff at Hill-Murray raised \$1,000 in her name to donate to the Juvenile Arthritis Foundation.

Pioneers In The NHL

TAKING THEIR PIONEER SPIRIT TO THE NHL

“HILL-MURRAY IS LIKE A SECOND FAMILY, REALLY. I’M VERY THANKFUL FOR MY THREE YEARS THERE.”
– MIKEY ANDERSON

Growing up in Roseville, Joey and Mikey Anderson always knew they’d play hockey. They came from a hockey family – grandfather, Tom, played for the University of Minnesota Duluth, dad, Gerry, played for Duluth Denfeld and St. Scholastica and sister, Sami, played for the Saints.

The Anderson brothers played junior hockey together, skated together at Hill-Murray, and later played together at the University of Minnesota Duluth.

In 2017, Joey won the gold medal with the U.S. National Junior Team. In 2018, he was captain of Team USA when he and Mikey brought home the bronze medal.

Both brothers remember their time at Hill-Murray fondly. During the 2013-14 season, when Joey was a freshman and Mikey an eighth grader, they helped take the Varsity team to a 24-4-0 record and

2nd place in their section. That year, the team was also named Classic Suburban Co-Champions.

“We went to Hill-Murray for the Catholic private school education and athletics was a bonus to going to a great school,” Mikey said. “We loved the small community feel – how you could walk down the hallway and know all of the teachers and kids. We really felt like we belonged.” Joey adds, “Our time at Hill-Murray was incredible. We definitely had dreams of playing there together when we were younger, and it was everything we dreamed of and more. It was a first-classexperience and really felt like home for us.”

Joey is currently playing forward for the Binghamton Devils, the top minor league affiliate of the NHL’s New Jersey Devils. Last season, he split his time between

Binghamton and Newark, making his NHL debut on October 27, 2018 against the Florida Panthers.

Mikey signed a deal with the LA Kings as a defenseman in 2019 and started playing with their affiliate team, the Ontario Reign. He misses Joey and says it’s different not playing with him, but he likes hanging out with teammates and being part of the development team as the players work on going pro.

A New Vision

SCIENCE, TECHNOLOGY & ENGINEERING

We are pleased to introduce Dr. Kaye Smith, Director of Science, Technology and Engineering at Hill-Murray School.

Dr. Smith started her career working with Dupont as an engineer, before going on to receive her doctorate from Stanford University. After receiving her doctorate, she returned to industry working with 3M and startup companies as an R&D engineer. She left industry when she realized her passion was education and accepted a position at Century College as an engineering, physics and math instructor. Later she accepted a position at the University of St. Thomas as a 3M Thwaits Fellow in the School of Engineering, before finally moving to St. Catherine University as an Assistant Professor of Physics and the Physics Department Chair.

Kaye inherits a robust Science, Technology and Engineering program at Hill-Murray. The school was recently named an Apple Distinguished School for continuous innovation in learning, teaching and the

school environment. Hill-Murray was also recognized by *Newsweek* as being one of the nation's top STEM schools.

"In all areas of science, you have to see the problem, figure out a solution, and have the solution fit in with the community"
 – Dr. Kaye Smith

Ultimately, Dr. Smith's plan at Hill-Murray is to support student-driven initiatives. She envisions creating a system where students come in with project ideas, get funding and take advantage of mentoring opportunities. She is especially interested in STEM education for girls. She says that female students tend to be harder on themselves.

"We need to create a mindset where we can embrace failure," Dr. Smith said. "Perfection isn't required because we learn so much from our mistakes. In all areas of science

you have to see the problem, figure out a solution, and have the solution fit in with the community."

Kaye's position as Chair of the Science, Technology and Engineering Department was made possible through a funding partnership between Hill-Murray and loyal donors to the school.

To get involved with Kaye and the Hill-Murray Science, Technology and Engineering program, please contact her at ksmith@hill-murray.org.

Recognized by Apple as a distinguished school for continuous innovation in learning, teaching, and the school environment.

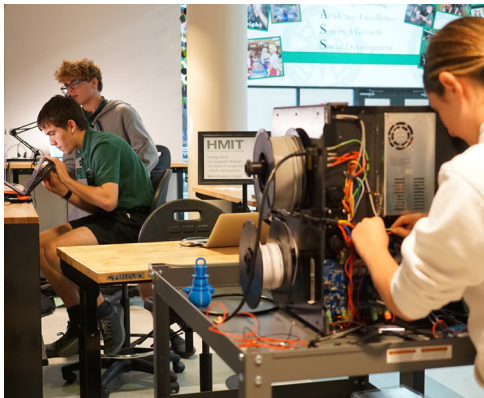

HMIT - HILL-MURRAY INFORMATION TECHNOLOGY

It's a great feeling to take your computer to an expert when something goes wrong. And with our one-to-one laptop program, there is always someone needing assistance.

Hill-Murray students and staff advisor, Jairus Houdek, have created a tech bar in the cafeteria. The HMIT Team is available to evaluate and troubleshoot technical problems for students and staff every day at lunch.

"On a scale of 1 to 10, this is a 25!" said Dr. Kaye Smith.

HMIT students serve as information technologists, developing their skills and gaining valuable problem-solving experience while helping other students and staff with computer issues.

ROBOTICS

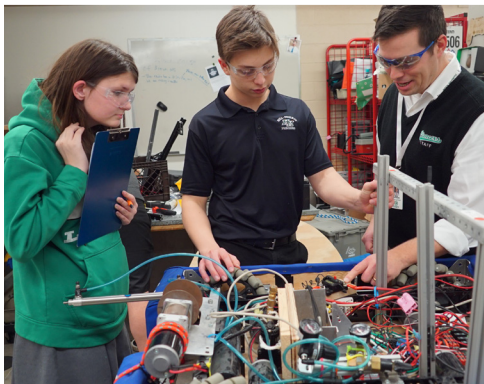

Each year, Hill-Murray students design, build, code and test their own robots to compete in the FIRST Robotics League.

This international high school robotics competition provides students with real-world engineering experience.

After noticing a gender imbalance in STEM-related fields, Ben Gapinski, Hill-Murray Computer Science teacher and Robotics coach, applied for and received a LaSallian grant to start a Women's Robotics Club this year.

The robotics program has also received grants to purchase parts and construct their own 12' x 12' practice field.

Gapinski likes to say, "All my students are going pro" since they are learning so many different roles as part of the team and developing real-world skills including: coding, design, engineering, and even finance and marketing.

ESPORTS

This year, Hill-Murray started an eSports club and competitive team for students interested in gaming and gaming competitions.

The High School eSports League offers a STEM.org-accredited educational experience called Gaming Concepts that

teaches college and career-ready skills and social-emotional learning – all through video games and eSports. In addition to playing games and participating in competitions, students can earn eSports scholarships for college.

eSports encourages communication and coordination among team members and teaches many skills relevant to future job opportunities, including streaming, production, programming and management.

ENDOWMENT

ANNUAL FUND

CAPITAL

As we enter the third year of The Known Loved Respected Campaign for Hill-Murray, we’re thrilled to announce an increase in the campaign goal from \$20 million to \$35 million. Building on the success we’ve seen so far, we want to be bold and aim higher in raising money for the endowment, capital improvements, scholarships, tuition assistance and teacher support.

ENDOWMENT

SUSTAINABLE GIFTS

The Hill-Murray Endowment Fund supports general operations, scholarships, tuition assistance, capital improvements and teacher salaries. As a long-term investment in the future of the school, the endowment is designed to keep the principal amount intact while the school uses the investment income to fund projects and scholarships.

Our vision is to build a school that's unbreakable, ready to weather any storm or challenge that may come our way.

Our goal is to protect Hill-Murray against unforeseeable issues in the future, and a strong endowment is one of the best ways to do that.

When you contribute to the endowment, your sustainable gift helps students and staff access the resources they need to grow and thrive.

This is the perfect time to invest in the Hill-Murray Endowment Fund. We have great momentum and have grown the endowment to \$11 million after starting with no endowment just 5 years ago.

Gifts can be made in different ways, including cash and securities, as well as planned gifts in your estate or through insurance. You can designate your gift to a specific area of your choice or give unrestricted. Payments of cash or future pledges are also accepted.

DOUBLE YOUR GIFT!

We are excited to announce that the Hill-Murray Foundation Board has committed a \$1 million dollar-for-dollar match for all new endowed gifts.

If you've ever considered creating a gift to memorialize a loved one or to help students who could not otherwise attend Hill-Murray, now's the time.

The minimum contribution to start an Endowed Fund is \$25,000, but with the Foundation Board match, you can start a scholarship with just \$12,500.

The first donors up to \$1 million can take advantage of this program.

To find out more or start your own Endowed Fund, please contact Chris Zupfer, Vice President of Development at czupfer@hill-murray.org or 651-748-2402.

THREE GENERATIONS: A Legacy of Learning

The Lawrence family has been part of the Hill-Murray community longer than the school has had that name, dating back to Bob Lawrence III ('63) attending Hill High School and Linda (Radford) Lawrence ('65) attending Archbishop Murray Memorial High School. The two met when Bob's sister introduced them.

Bob and Linda married in 1967 and had two children, Bob Lawrence IV ('89) and Molly (Lawrence) Schafer ('91) - both attended Hill-Murray. Bob ('89) met his future wife, Stacey, (Mangine) Lawrence ('91) because she was good friends with his sister.

Now a third generation of Lawrence family members are attending Hill-Murray: Bob and Stacey's son Bobby Lawrence V is a junior. He enjoys playing basketball, he's on student council, and participates in DECA and aquaponics. Their daughter Breann is a freshman, and she plays soccer and basketball and participates in aquaponics.

Bob ('89) serves as assistant trap coach, is one of the vice presidents of Fathers Club and has served as a judge for DECA.

"The thing that's really important is being involved," Bob ('89) explains. "I'm a firm believer in service to others and the more you give of yourself, the more you get back."

ENDOWMENT

Molly and her husband Jake have a son named Danny, who is in 4th grade – he is a future Pioneer.

"One of the things I treasure so much is the strong sense of community at Hill-Murray," Molly said. "If there was something we wanted to get done, like painting the bleachers, we organized a group of students and parents and did it."

*"As a student, I always felt known, and
I feel that as an alum, too."
– Molly (Lawrence) Schafer '91*

Bob and Linda formed lasting relationships during their years at Hill and Archbishop Murray, while their children attended Hill-Murray, and now that their grandkids are Pioneers.

"One of the things about the is relationships formed so long ago is that when someone is sick or has a bad knee, the Hill-Murray friends are the people who call to see what you need or how they can help," Bob ('63) said.

Bob and Linda are proud that their grandchildren are attending the school where they went to 50 years ago and the family wants as many students as possible to have the opportunity to attend Hill-Murray.

"It's very important that Hill-Murray continues for future generations" Molly says, "and that the school continues to offer this high-level academic experience. I want to be sure other people have the same opportunity that I did."

ANNUAL FUND

MAKE AN IMPACT

The Hill-Murray Annual Fund is a key component of the school’s annual operating budget, helping to make up the difference between tuition and what it costs to educate a student. The fund raises nearly \$2 million annually for the school’s operating budget, allowing us to enhance and grow our programs.

Your gift to the Annual Fund helps to ensure that teachers, coaches and administrators have the

necessary resources to properly run the school and provide students with the best possible academic and cocurricular experiences.

Gifts to the Hill-Murray Annual Fund are unrestricted, which means they will be directed by the Board of Trustees to the area of greatest need, helping to make a difference in the lives of all members of our community.

HM GIVE DAY

HM Give Day takes place in October and offers families, alumni and friends the chance to support the school with a gift to the Annual Fund. This year, as **One Hill-Murray**, we came together as a community to make an impact on the lives of students.

HM Give Day combines with the fall appeal to build excitement around fundraising for sports and activities, theatre, the arts, and day-to-day school operations. This year HM Give Day raised \$178,560 for the annual fund, and we’re looking forward to building on this success with each coming year.

ANNUAL AUCTION: 2019 KENTUCKY DERBY!

The Hill-Murray Auction is a highly anticipated annual celebration that brings the community together to support the school. Hosted by a volunteer committee of parents, alumni and community members, the event raises more than \$1 million each year.

The Friends of Hill-Murray Fund raises \$650,000 toward tuition assistance, and \$450,000 of the money raised goes to the Annual Fund to support teachers’ salaries, classrooms, the arts, sports and activities.

**HILL- MURRAY PIONEER
PREMIER AUCTION**
APRIL 25, 2020

CAPITAL

CAMPUS IMPROVEMENTS

We are always looking for ways to improve our campus and enrich the student experience.

With that focus, we have undertaken several capital improvements over the past 25 years, including: renovating our stadium, developing The Nicholas Center, building the Fieldhouse, adding the Chapel and enhancing other buildings.

In 2019, we used capital funds to establish a new Alumni Center on the lower level, creating a space for alumni to meet and reconnect with Hill-Murray.

We also renovated the Campus Ministry center to make it more welcoming for students and functional for campus ministry groups.

Looking ahead, we’re excited to turn our attention to classroom renovations and the addition of a student-operated coffee shop.

These updates help to optimize the learning environment and make Hill-Murray an inviting choice for students and families.

BUY A CLASSROOM

Make a difference in the lives of Hill-Murray students with a gift they’ll see every day!

You can now buy one of 30 classrooms with a gift of \$50,000 (\$10,000 per year for five years). Your gift will be matched dollar-for-dollar by the Board of Trustees to fund the room’s renovation, including updating the flooring, lighting, furniture and more.

Each room will also be updated with state-of-the-art technology, including an Apple TV and instructional technology for teachers to use during class.

Updating classrooms has an immediate and powerful effect on the educational experience, empowering teachers to present information in new, unique ways and enabling more collaboration among students.

To ensure your gift serves as a lasting legacy, we will install a plaque with your name on it outside the classroom.

For more information, contact Chris Zupfer, Vice President of Development at czupfer@hill-murray.org or 651-748-2402.

COFFEE SHOP CHATTER

One of the exciting projects planned for 2020 is the addition of a new coffee shop on the first floor of the building. Instead of stopping at a local coffee shop on the way to school, students and staff will be able to pick up their java right on campus.

In addition to providing Hill-Murray faculty and students with a new place to work, study, collaborate and relax, the coffee shop will be managed and staffed by business students to give them experience marketing and managing a real business. Much more than a part-time job, this opportunity will show business and entrepreneurial students what it’s like to order supplies and inventory, calculate profit and loss, operate within a budget, run promotions and manage staff.

CAPITAL

PARTICIPATION
MADE EASY!

Buy A Classroom

Hill-Murray has 30 classrooms in need of renovation. Your gift will transform a classroom.

Donation Match

You donate \$10,000 per year for five years or make an outright gift of \$50,000. The Hill-Murray Board of Trustees will match your contribution dollar-for-dollar.

Recognition

A plaque will be displayed outside the classroom. Inscribe with your family name, recognize a faculty member or honor your parents.

Letter from the Endowment Chairs

Sara (Joynson) Yocum '93
& Tony Yocym '88
Hill-Murray Endowment Chairs

To Our Hill-Murray Family,

Together, we are KNOWN, LOVED, RESPECTED.

We have been blessed! Your generosity and leadership have exceeded expectations, and we are excited to announce the achievement of our original \$20 million Known Loved Respected Campaign goal. Our dreams have become reality with careful planning, hard work, and the firm belief in who we are. And we are only just beginning.

On December 9, 2017, the Hill-Murray community launched our most aggressive campaign. The Known Loved Respected, 5 Year \$20 million endeavor is based on three main pillars of Endowment, Capital, and Annual Fund. Both long-time supporters and new Hill-Murray families have answered the call and the response was generous.

Our leadership teams have been excellent stewards of this generosity, continuing to drive reinvestment in facilities while enhancing the rich resources and programs for students, staff, and families. Make time to visit the Nicholas Center to see true vitality in education and dreams, and watch as our classrooms evolve into modern learning centers. We are growing in our excellence, in so many ways. Endowment gifts that are securing our future for many years compound with markets and momentum, and commitments to our Annual Fund and Capital Drive provide all of our students the best in diverse and foundational education, today and tomorrow.

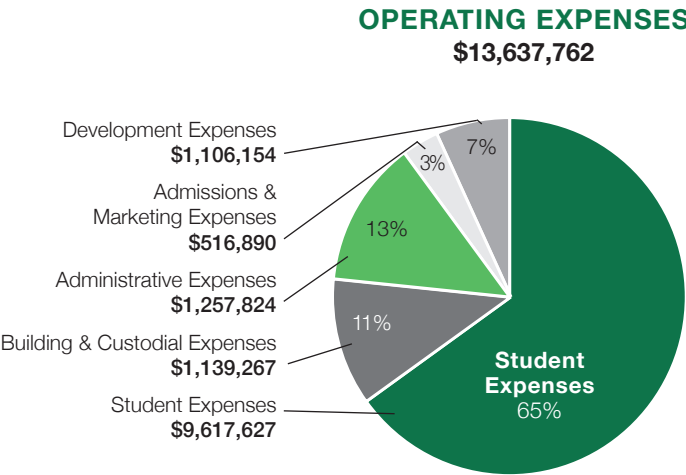

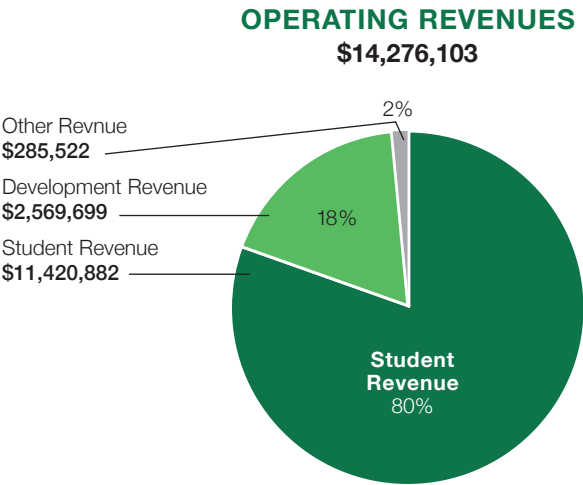

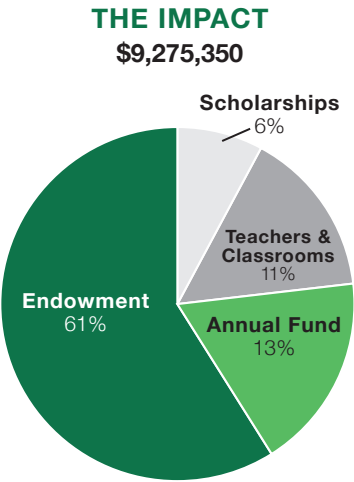

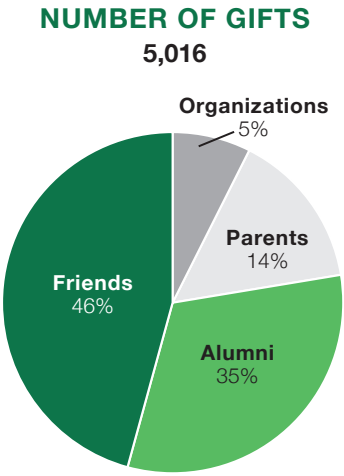

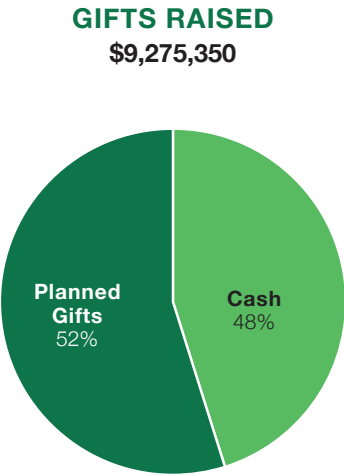

Again, we are only just beginning. With the Campaign Leadership Council, the Trustee and Foundation Boards, and the Hill-Murray staff, Sara and I are excited to announce that the Known Loved Respected Campaign will successfully raise \$35 million over the 5 year KLR Campaign! It is indeed time to celebrate.

We need everyone's participation and support, through financial gifts, volunteering, or just spreading the word. Please contact Hill-Murray to ask how you can help, and believe that every dollar is incredibly impactful and appreciated.

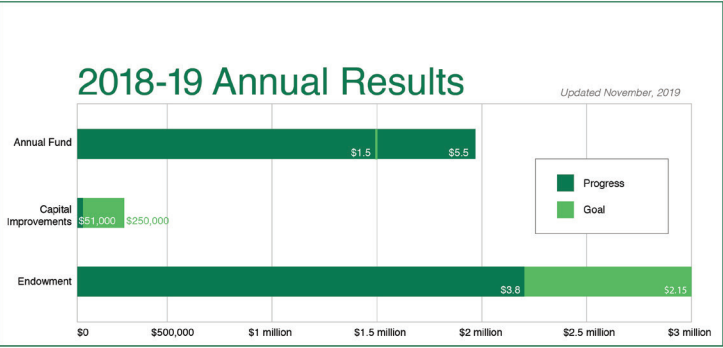

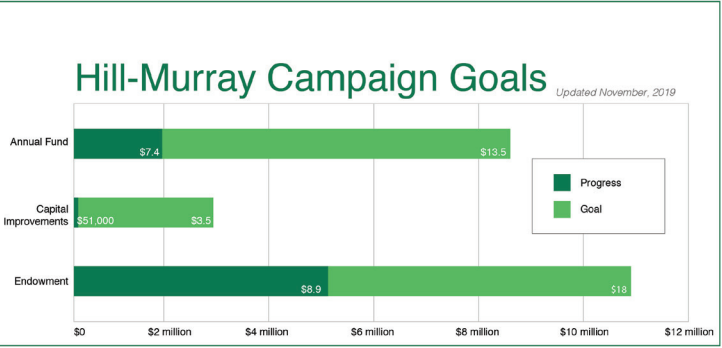

May God Bless our Hill-Murray, our Hearts, Health, and Minds!

Tony & Sara Yocum

Community Support

Hill-Murray senior football player, Zach Zarembinski collapsed along the sidelines during a playoff game against Johnson High School in October 2018. Zach came off the field, told coaches he wasn't feeling well and fell to the ground.

He was rushed to the hospital where he was diagnosed with a brain hemorrhage and surgeons quickly removed a portion of his skull to relieve the swelling. Zach was then placed in a medically induced coma so he could recover.

Our community mobilized and took action - starting with Mass. Wearing green to show our support for Zach, students, faculty, staff, parents and alumni filled the fieldhouse and prayed.

Students and members of our community organized bake sales, sold ZZStrong72 bracelets, started a GoFundMe account, sent posters and cards to the family, contacted resources that the family might need, offered to maintain the family's home and more.

"I saw the resilience - the application of faith and caring from our community and others," said Hill-Murray President, Jim Hansen. "Six Catholic High Schools in the Twin Cities joined us – they prayed, dressed in green, celebrated Mass, sent cards, flowers and donations to support Zach and H-M."

Zach was released from the hospital after three weeks in intensive care. He started rehab and eventually returned to school.

Today, Zach is doing great. He is finished with all his daily doctor visits, except for the occasional follow-up appointments. He is preparing to attend St. Paul Technical College next semester where he hopes to become an electrician.

"Our prayers were answered with his recovery," said Hill-Murray Head Football Coach, Pete Bercich. "This happened just over a year ago and look at him now - he's moving on with his life and his education... It's a miracle."

Lynsey & Adam Simmet

Hill-Murray President, Jim Hansen, arranged to have Lynsey Simmet, wife of alum Adam ('01), serve as a patient representative for Zach.

This allowed his family to focus on Zach's health and care instead of the overwhelming amount of paperwork and communication required by Zach's hospitalization and recovery.

Lynsey leveraged primary and secondary insurance resources to minimize the family's out-of-pocket responsibility. She handled the recordkeeping, paperwork processing and communication between the providers and insurance companies.

"It has been such a pleasure supporting the Zarembinski family," Lynsey said. "I can't imagine going through what they have with one of my own children."
