2014-2015 ANNUAL REPORT ISSUE

Hill-Murray Girls Hockey: USA TODAY Best Team of 2014-2015!

HM | PRESIDENT

“I am a Pioneer!”

After 30 years as a Fortune 500 company officer and a public company CEO, I have returned to Hill-Murray School, where my journey as a student began. I also return with great enthusiasm to my first career – education.

I am proud to report that this is still a place where students are inspired to live their faith and nurture their unique talents; a place where our faculty and staff prepare and inspire them to go out and make significant contributions to the world.

“I am a Pioneer!” is a campaign we are launching to recognize the remarkable accomplishments of individuals in our community. For example, Autumn has been an actress with the Children’s Theatre Company for 16 years; Cynthia is using her science background in Atlanta; and Craig took his athletic talents to the NHL.

I look forward to connecting with you soon to hear how your Hill-Murray education has helped you make an impact in our world.

At Hill-Murray, students are known, respected, loved *and challenged*. The possibilities for our students are endless and we welcome each of them to discover what it means to say, “I am a Pioneer!”

I want to start by sincerely thanking each of you for your incredible commitment to Hill-Murray School. As most of you know, I came to Hill-Murray just over a year ago and I have been amazed by how this community invests in our students.

You have helped us accomplish so much this year, including:

- Creating new locker room facilities for boys and girls hockey
- Remodeling the music suite in honor of Frank Asenbrenner
- Continuing capital improvements with the creation of a new multi-purpose Flex Classroom
- Holding the largest gala in the school's history, by raising a record \$304,000 in Friends of Hill-Murray Tuition assistance dollars
- Securing commitments of \$2.1 million to support the Hill-Murray Track, Turf & Plaza initiative

In addition to improving facilities, your contributions allowed us to enhance curriculum, provide scholarships and tuition assistance, as well as invest more than \$2.1 million toward the Hill-Murray School endowment. Examples include:

- Dr. Susan Paul Education Fund – in honor of her 35 years in Catholic Education and dedication to Hill-Murray School
- Lasallian Teacher's Fund – a \$1 million gift was made in honor of the teachers. Each year, faculty will have an opportunity to apply for innovation grants to improve the student experience at Hill-Murray School
- Eugene and Lucille Schiltgen Memorial Scholarship Fund
- Marge and Lee DuFrense Education Fund

Thank you again for the contributions you have made to our school. As you read through the annual report issue of *Hill-Murray Today*, you will see what your generosity has done for our students in 2014-2015. I hope you enjoy the annual report and I look forward to even greater success in the coming year.

Gratefully,

Chris Zupfer
Vice President
Hill-Murray School

HILL-MURRAY STADIUM TRACK • TURF • PLAZA

Let's Make It A Reality!

Higgins Memorial Field has not been updated since its construction over 40 years ago. Now is the time to re-imagine and rebuild. If you are interested in becoming part of the Hill-Murray Track, Turf and Plaza project, contact Chris Zupfer at czupfer@hill-murray.org.

As we reflect on another successful year at Hill-Murray, I would like to recognize the many accomplishments of the Class of 2015. These incredible students secured scholarships totaling more than \$7 million. Our 2015 graduates had 54 students accepted to top 100 universities. Hill-Murray students are attending Harvard, Notre Dame, University of Minnesota, TCU, Creighton, Northwestern, Syracuse, Clemson, Loyola and more.

The 2015 Lasallian & Benedictine Award winners were Alaina Anderson and Nick Nelson. Both Alaina and Nick showed tremendous dedication to Christian service during their time at Hill-Murray School. Alaina attends the University of Notre Dame, majoring in Political Science. Nick attends Northwestern University and majors in Biomedical Engineering. Nick and

Alaina are two examples of the types of students that are now proud Hill-Murray alumni.

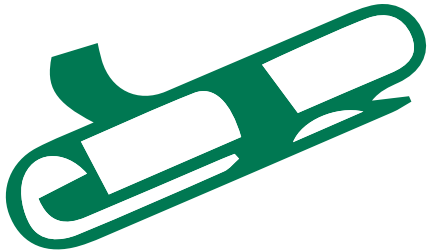

The Hill-Murray community and Board of Trustees celebrated the retirement of Dr. Susan Paul and her 35-year commitment to Catholic education. Dr. Paul's legacy at Hill-Murray School is significant and her impact on the educational product is made clearer by the achievements of our students.

As we wrapped up the year, the Hill-Murray Board of Trustees and Hill-Murray Foundation Board worked with a transition team to find the next President for Hill-Murray School. We were excited to announce James Hansen, a 1973 alum of Hill-Murray, as the school's next President. Jim comes with a proven background in both education and business. He has served as Board Chair for Mahtomedi Schools as well as spent 30 years as an adjunct professor at the University of St. Thomas. Jim brings an extensive business background to the position and is poised to build on the strong foundation of Hill-Murray School.

As the Board of Trustees moves forward, we would like to say thank you to the many donors who step forward annually to support the mission of Hill-Murray School. Your contributions ensure that the students and staff have the resources needed to achieve great things.

Sincerely,

Dan Hackman
Board of Trustees Chairman

2015 Lasallian & Benedictine Award Winners
Dr. Susan Paul, Alaina Anderson, Nick Nelson and Dr. Chuck Briscoe

Dr. Susan Paul Education Fund

Dr. Susan Paul faithfully committed her life to Catholic secondary education for 35 years, serving as Principal & President of Hill-Murray School for 24 years (1991-2015).

Under her leadership, Hill-Murray School became known and respected for its academic rigor and its commitment to educating the whole student. Dr. Paul’s commitment to her faith began as a child growing up in Carlton, MN, where she and her seven siblings were guided by their parents to live the Gospel message of love.

Out of love and respect for her parents’ commitment to raising a family in the Catholic faith and Dr. Paul’s desire to see families committed to Catholic education have the opportunity to send their children to Hill-Murray, the Dr. Susan Paul Education Fund has been established.

Marge & Lee DuFresne Education Fund

The Marge and Lee DuFresne Education Fund has been established to support students who desire a Hill-Murray education.

Marge and Lee valued Catholic education, providing their children the opportunity to attend Hill-Murray. However, their commitment did not stop with their own family, often serving as a safety net for other families who found themselves falling on hard times.

To ensure that future generations have the same opportunity to receive an exceptional Catholic education, the Marge and Lee DuFresne Education Fund will provide generous assistance to deserving students.

Eugene & Lucille Schiltgen Memorial Scholarship Fund

Eugene and Lucille Schiltgen were extremely committed to Catholic education. All five of their children attended Hill High School, Archbishop Murray Memorial High School or Hill-Murray High School and went on to obtain college degrees.

Eugene and Lucille stressed the importance of studying hard and the pursuit of higher education. As a legacy to that commitment, their children established this scholarship fund to help other students pursue their educational goals.

This scholarship will be awarded to an incoming Hill-Murray freshman who has demonstrated a strong commitment to the larger community through moral responsibility and service.

LEAVE A LASTING LEGACY

“Our connection to Hill-Murray School traces back over 50 years when high quality, secondary Catholic education first became available in the east metro area. The legacy fostered by the Christian Brothers and the Benedictine Sisters is alive and well in the vision and mission of Hill-Murray School.

We are pleased to offer our support in this campaign to make the Hill-Murray experience available and affordable to future generations. The times and the demographics have changed, but the values of faith, family and friendship have not. We have been fortunate in our lives. And Hill High School, Archbishop Murray Memorial High School, and Hill-Murray School have all been part of those blessings. Please consider making a legacy contribution to keep faith-based secondary education an option for future generations of young people.”

Thank you,
Mary & Jim Wold

Keeping Kids Warm
Grandma's Coats for Kids is a charity organization run by former H-M parent Kay Weber and alum Mary Kay Schmitt ('68). Our H-M Middle Schoolers collected 56 coats, 115 hats, 67 pairs of gloves, 30 scarves, 10 pairs of boots and 9 pairs of snow pants. The winter gear was distributed to students at Cowern Elementary.

Raising Awareness About Homelessness
Hill-Murray School students and staff braved the cold and slept in cardboard boxes to express solidarity with the homeless. The "Cardboard Box City Sleep-Out" attracts over 500 Twin Cities youth annually to raise awareness about homelessness and raise funds for "Project Home" and "Families Moving Forward."

Webster Elementary Food Drive
Throughout the school year, various Hill-Murray clubs and teams hold food drives for Webster Elementary School, where 90% of the students are on free and reduced breakfast and lunch.

Feed My Starving Children
Hill-Murray worked alongside other volunteers and packed 178 boxes equaling 38,448 meals. Way to go Pioneers!

White Earth Reservation Mission Trip
At the beginning of June, 35 Hill-Murray students and staff spent seven days on a mission trip to White Earth Reservation. Hill-Murray students painted, cleaned and landscaped many of the buildings on the reservation. The reservation leadership council invited the students to participate in a week-ending Pow Wow to recognize the support the students gave to the community. This annual trip was made possible due to the generosity of Hill-Murray donors through their gift to our Campus Ministry Department.

HILL-MURRAY STADIUM

On October 19, 1974, Higgins Memorial Field was dedicated to the parents of Rev. John Higgins, a Hill-Murray staff member and boys soccer coach. The original complex included the game field, a track and bleachers. By the mid-1980’s, the dirt track became unusable and the last home track meet was held at Hill-Murray. In the late 1980’s when lights were added to the field, a new press box was built and new bleachers were crafted for Pioneer fans and visitors.

The Hill-Murray stadium was built over 40 years ago and has remained virtually unchanged. Now is the time to re-imagine and rebuild. Our goal is to have the new stadium complete by the fall of 2016 and we need your help. If you are interested in becoming part of the future of the Hill-Murray Track, Turf and Plaza project, please contact the Development team at 651-777-1376 or email czupfer@hill-murray.org.

HILL-MURRAY TENNIS COURTS

Thanks to several generous benefactors and the Sisters of St. Paul’s Monastery, Hill-Murray celebrated the opening of eight new tennis courts on the east side of the campus.

President Dr. Susan Paul and Hill-Murray Athletic Director, Bill Lechner, were joined by girls tennis team captains Sarah Link and Carly Heller and boys tennis team captains Ricky Zellmer and Griffin Egan for the ribbon cutting ceremony on August 6th.

Not only are the new courts a great place for our tennis teams to practice and host meets, but the courts also allow us to expand offerings within our physical education department and summer camps.

ALDRICH LOCKER ROOMS

The Hill-Murray hockey teams moved into brand new locker rooms in Aldrich Arena this year. The fully-funded project included Varsity and JV locker rooms, team room, coaches office, laundry facility, showers, bathrooms and an elevator to make it handicap accessible. A wall of trophy cases was also added in the arena along the top of the home bleachers to highlight the success of the Hill-Murray hockey program.

The players are excited to have this top-notch facility and to be able to leave all their equipment at the rink. Coach Lechner and his staff are thankful to all the donors who made this project possible. Now Aldrich is truly our home ice!

ACADEMIC CAPITAL IMPROVEMENTS

Your donations have helped build new facilities aimed at keeping our academics strong, while paving the way for students to make a smooth transition to college.

Improvements include three new science rooms and three new art rooms. In addition, your contributions helped create our first Flex Classroom, which allows students to learn in a collaborative environment.

Hill-Murray students are taking advantage of the opportunity to learn in these new classrooms. The \$7 million in college scholarships awarded to our 2015 graduates speak to the incredible accomplishments of Hill-Murray students.

ATTEND THE PIONEER PREMIER AUCTION AND CHANGE A STUDENT'S LIFE

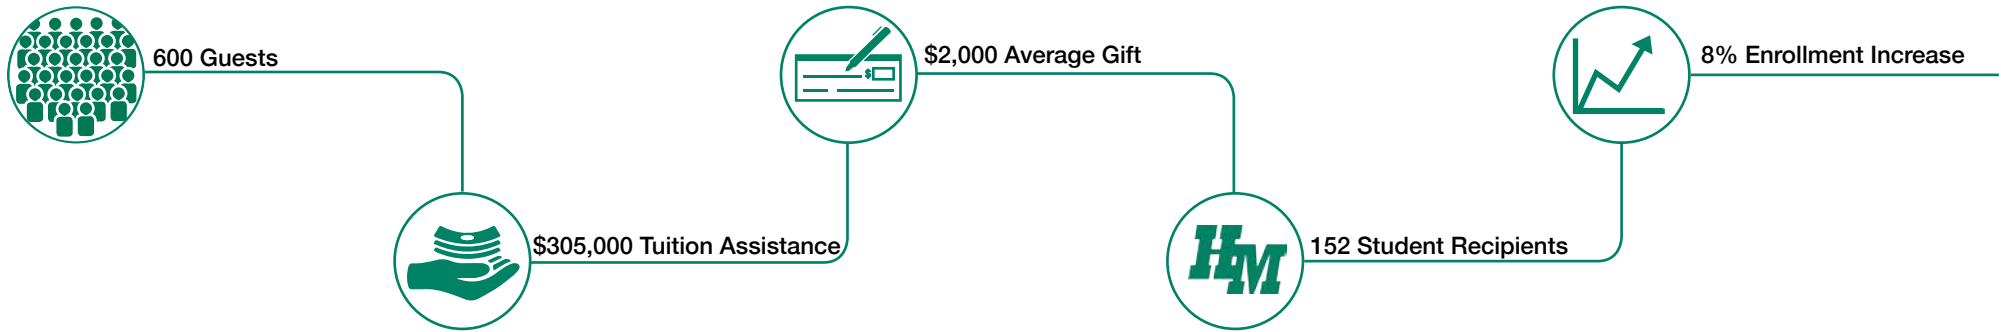

The 2015 Pioneer Premier Auction was a huge success, but the real story about this event goes beyond the outstanding totals that you see in the graph below. It starts with your generosity that evening and continues on in the lives of the students you impact.

Here are a few examples of what your gifts mean to our students:

"I have always hoped and prayed that I could attend Hill-Murray. My parents have worked very hard to help make this dream possible for me. Along with this scholarship, it is actually happening! I can't wait to be a part of the Hill-Murray family!"

"It made my day when I opened the letter from Hill-Murray and realized I had been awarded a scholarship. This allows me to continue going to the school that I love! I feel blessed to be chosen and I hope I can live up to the expectations that you have of the recipients."

"Thank you! I was speechless when I found out about my scholarship. One of the first things I learned about being a Pioneer is what a strong and wonderful community we have. I hope that one day I can do the same thing for a family who is going through what my family is going through now. Your act of kindness will never be forgotten."

REMEMBERING MR. A.

The Hill-Murray community received sad news at the end of 2014 when Frank Asenbrenner passed away, but we continue to celebrate his life and contributions to the school that he adored.

Ask any alumni what he or she may remember about Mr. A., and eventually that green jacket is likely to come up. "It wasn't all about playing the best, it was about who we were and how we represented ourselves, our family, our school," remembered Barb Atkinson, Asenbrenner's daughter, and member of the class of '87.

Every time the crowd rises to the first chords of "Hail the Pioneers," Frank Asenbrenner's spirit is reborn through a new generation of Hill-Murray students.

INVESTING IN THE ARTS

The Hill-Murray band program continues to thrive as Traci Youngs honors the tradition established by Frank Asenbrenner.

In May, Hill-Murray received a \$25,000 contribution from a generous donor. The funds were used to upgrade the band suite with new carpet, paint, shelving and tile, as well as establish an endowment, which will ensure instrument replacement for years to come.

In 2015, the program received nearly \$33,000 in cash and instruments from current and former band parents.

If you would like to contribute to the band program, please contact Chris Zupfer at czupfer@hill-murray.org.

DECA

The Hill-Murray DECA Club received the Gold award at the state competition in 2014. The gold award is the highest honor a club can receive.

One Act

The Hill-Murray One Act cast performed "The Great Gatsby" and won the State Tournament in 2014.

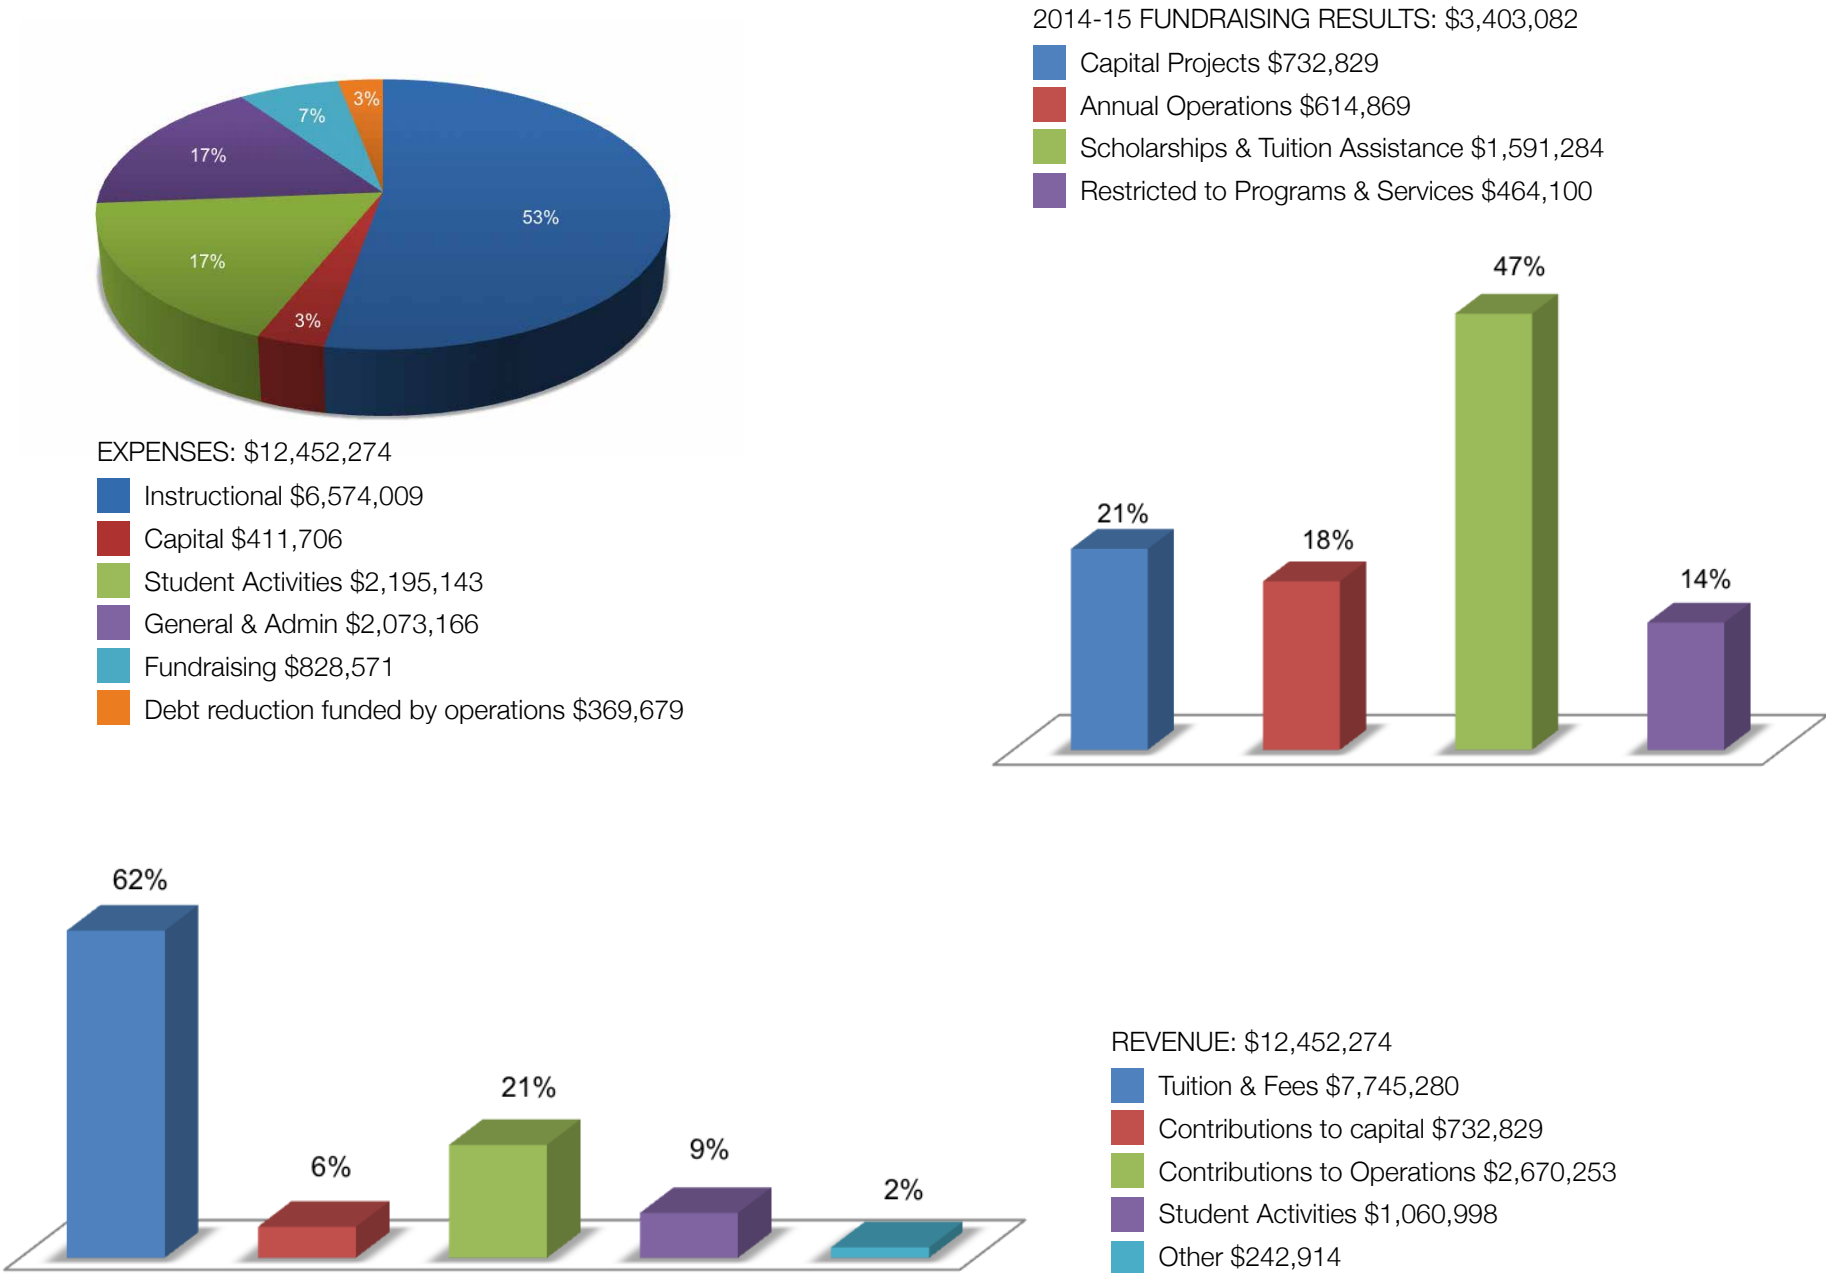

Robotics

At the Minnesota Mini Regionals, the Hill-Murray Robotics team made it to the elimination rounds for the first time in team history. After 3 rounds in the championships, H-M emerged victorious!

Speech

The Hill-Murray Speech Team finished strong in 2015. Coach Renae Elert was named Section Coach of the Year and Allie McMahon and Aaron Blohowiak advanced to the state meet.

Your gift can change lives. It's never been easier to support Hill-Murray students. You decide where your gift is used whether it goes to the Annual Fund, capital projects or to support an endowment for the long-term needs of students.

Gifts can be made in a variety of ways:

Cash gifts

Credit card (Visa or Mastercard)

Reoccurring gifts through credit card or Electronic Fund Transfer

Installments - We're happy to work with you to make your contribution over a period of one or more years

Stocks or other securities

Gifts-in-Kind - Consider contributing to Hill-Murray with non-financial resources

Planned Giving - A perfect way to ensure long-term financial security for you and your family and at the same time, support Hill-Murray students through the use of your financial assets. For more detailed information about how you can make your estate work for both purposes, please contact Chris Zupfer, Vice President for Development at 651-777-1376 or czupfer@hill-murray.org

Online - Visit www.hill-murray.org and click on "Make a Gift"

Other - We invite you to contact Chris Zupfer, Vice President for Development at 651-777-1376 or czupfer@hill-murray.org to arrange another giving method that's right for you
