

Hill-Murray Continuous Enrollment

Your student will be automatically re-enrolled as a part of Hill-Murray's continuous enrollment program. Below are the steps required to complete the process for the 2022-2023 school year.

1. **Update important contact information in your TADS agreement.** Please review and update home address, email addresses, phone numbers, and correct spelling of student, parent, guardian names.
2. **Set up your tuition agreement in TADS** - Please customize your payments to suit your family's financial needs. Select your payment schedule. You may choose from the following options:
 - One Payment with 1.5% discount – due March 5, 2022 for current students
 - Two Payments – Due July, 2022 and January, 2023
 - Nine Payments – Due July, 2022 to March, 2023
 - Eleven Payments – Due June, 2022 to April, 2023
 - Choose to pay on the 5th, 10th, 15th, 20th or 25th day of the month
 - Receive a discount on next year's tuition by prepaying tuition in one payment
 - Pay by March 5, 2022 – discount is 1.5%. Pay by May 1, 2022 – discount is 1.0%
 - *Please note that families receiving tuition assistance are not eligible for prepaid discounts.*
3. **Enrollment Fee** - The fee will be billed in two installments on your current billing account – \$250 in April 2022 and \$250 in May 2022. This non-refundable fee secures your student's place for the next school year.
4. **Tuition Assistance and Scholarships** - Awards will be announced mid-February via email and added to TADS accounts. We cannot hold tuition assistance awards in reserve. We must inform you, therefore, that if your tuition payment schedule is not completed by March 5, 2022, any award may be redistributed to another family on the tuition assistance/scholarship waiting list unless you contact the Business Office to make other arrangements. If you have concerns about affordability, please call the Business Office at 651-748-2408. We are committed to assisting families who want to send their children to Hill-Murray School, so please do not hesitate to contact us.
5. Please let us know if your student does not plan to return to Hill-Murray for the next school year by March 5 or your account will be billed the non-refundable enrollment fee. Parents should contact Kelly Harrington, Upper School Director, not later than March 5, 2022.
6. **Early Withdrawal Fee** - Students who withdraw after May 1, 2022, will be assessed 25% of the tuition. Withdrawals after July 1, 2022, will be assessed 50% of the tuition.

Don't hesitate to contact Jacquie Lamonica with questions at 651-748-2408.
