The Nicholas Center at Hill-Murray School, in partnership with Youth Advantage of Stillwater and The Good Neighbor Center of the East Side of Saint Paul, invites all struggling readers entering grades 1st-6th in the fall of 2023 to join us for the *The Nicholas Center Summer Reading Program* at Hill-Murray. *The Summer Reading Program* is a 6-week program that focuses on boosting literacy skills in students, including phonological and phonemic awareness, vocabulary development, morphology, comprehension and fluency.

The Summer Reading Program students will have the opportunity to read daily, receive direct instruction based in the Science of

Reading, interact with their peers during a myriad of literacy activities, take home books to keep and read, and take a journey down an individualized reading path through their interaction with a multisensory, structured reading iPad app.

Most importantly, students will discover a love for reading and a confidence that will permeate all other aspects of their lives!

The 6-week *Summer Reading Program* will run every Tuesday, Wednesday, and Thursday from June 13, 2023 through July 27th, 2023 from 9:00 am - 12:00 pm.

Note: NO programming July 4, 5, 6
