

Why Junior Achievement?

Junior Achievement's mission is
**“To inspire and prepare young people to
succeed in a global economy”**

What is Junior Achievement?

Junior Achievement (J.A.) is a program which teaches students how they can impact the world around them. J.A. helps students think not only as individuals, but also as workers and consumers. J.A. prepares students to succeed in school and beyond.

How will J.A. work at Hill-Murray?

The Hill-Murray Co-Curricular Club is open to students in grades 6-8. The club will meet after school from 2:45 pm - 3:15 pm on the following dates:

September 3, 10, 17, 24

October 1, 8, 22, 29

November 5, 12, 19

These meetings will take place in 120 at Hill-Murray.

What will students do?

Students will participate in fun activities while learning about money management weekly. Students will be exposed to budgeting, investments, career planning and more.

Final project

Each student will receive his/her own life situation.

Life situations may include items such as: marital status, number of children, career, monthly budget, mortgage, car loan, credit status, investment portfolio, savings and philanthropy. Students will work through their day paying bills, purchasing items (houses, clothing, car, etc.) and managing their money through an online simulation.

Who can I contact for more information?
